Whether fresh lease of life will be available for carry forward of business losses in case of demerger?
Tax Incentives and MAT Credit

Tax Holidays
- Tax Incentives are either based on business (u/s 80-IA/80-IB/10B) or Area/Region based (u/s. 80-IC/10A/10C)
- Continuity of unexpired period of tax holiday to the transferee company in amalgamation/demerger except u/s. 80-IA(12A)
- Availability of above tax holiday in case of Slump sale is a matter of litigation

MAT Credit
- MAT payable on book profits in the absence of Nil/lower tax profits
- Credit for MAT allowable to the assessee company who has paid such taxes
- Amalgamating company ceases to exist after amalgamation
- No specific provision in the IT Act for carry forward of MAT credit in case of amalgamation or demerger. However, Mumbai ITAT* and Ahmedabad ITAT** have endorsed a favorable view in case of amalgamation and demerger (proportionate basis) respectively

Section 56
- No implications on receipt of properties in the hands of the Transferee Company pursuant to amalgamation or demerger - Clause (IX) to the proviso of Section 56(2)(x)

* SKOL Breweries Ltd vs ACIT [2008] 28 ITAT INDIA 998 (Mum)

Cross border merger
Cross Border Merger

Inbound Mergers are mergers wherein a foreign company merges with an Indian company.

Consideration in the form of shares of Indian Co.

Foreign Co. → Merger → Indian Co.

Outbound Mergers are mergers wherein an Indian company merges with a foreign company.

Consideration in the form of shares of Foreign Co.

Indian Co. → Merger → Foreign Co.
Challenges in Cross Border Merger
still some path to cross....

**Inbound Merger**
- Treatment of accumulated losses of foreign company
- Non FEMA compliant assets and liabilities needs to be addressed within 2 years
- Round tripping issue

**Outbound Merger**
- Income-tax exemption not available
- Issue of shares to resident only up to LRS
- Permanent Establishment risk

- Buy-back provisions are not applicable to listed companies so gains on buy-back, if any, are taxable in hands of shareholder of the listed company.

**Other provisions**

- In case of corporate shareholders, MAT may be applicable.
- No deemed dividend implications on buyback [Clause (iv) to section 2(22)]
- The provision of buy-back tax have not dealt with the following:
  - Allowability of any expenses incurred during the buy-back of shares.
  - Indexation benefit available to shareholders in case of normal sale of shares instead of buy-back.
  - Redemption of RPS – whether buy-back tax applies?

  - **Section 50B – Special provision for computation of capital gains in case of slump sale**
    - In slump sale, capital asset which is the subject matter of charge, is the ‘Undertaking’ and not the land and building which make up that undertaking.
    - No identifiable consideration received or accrues as a result of the transfer of land or building. Hence, not possible to determine whether any consideration received or accruing is attributable to land or building.
    - Explanation to section 2(42C)

  - **Section 50C – Special provision for full value of consideration in certain cases**
    - Capital asset subject matter to charge, is the land or building or both which must be transferred.
    - Consideration must have been received or accrued as a result of such transfer which must be less than stamp duty valuation - Capital gains to be computed in accordance with section 48.
    - In such a case, stamp duty valuation of such capital asset shall be deemed as the full value of consideration.
